Badger Bank Celebrated Community Banking Month with Donations to Area Non-Profits

Fort Atkinson – (May 11, 2018) – April was Community Banking Month and Badger Bank placed donation bins at all four of their locations to collect supplies for the Boys and Girls Club of Fort Atkinson, the Cambridge Food Pantry, the Jefferson County Humane Society and PADA (People Against Domestic and Sexual Abuse in Jefferson County). The bins were out in our lobbies for the entire month of April and we were very pleased with the support we received from our employees and community members.
