The Quentin Road Christmas Pageant

(Lake Zurich, IL)

Saturday, December 14th, 2019

As another spotless lamb is prepared for sacrifice, a shepherd boy wonders aloud, "Must we continue this practice forever?" Meanwhile, a man leads his wife, great with child, to an inn where she can deliver her baby. There is no room. As the husband and wife go their way, the shepherd boy's father offers his assistance. "Wait! You can use my room." Thus began a series of events forever etched in our minds as "The Christmas Story." But this captivating account includes significant details tradition has overlooked . . . until now. Take a special journey this Christmas as we unlock secrets from Christmas Past. With a 300-voice children-and-adult choir, dramatic lighting, and live animals (including an 8ft camel), will present what

really happened on that first Christmas night long ago.

With original songs and orchestration by Grammy and Dove Award Winner David Clydesdale, this spectacular Christmas performance will be an instant classic. See for yourself why thousands in the Greater Chicagoland area make this event a part of their annual Christmas celebration.

We have reserved theatre seating towards the front of the theatre for the matinee performance. Lunch will be included before the show at Beelow's Steakhouse.
