***Customers will be charged \$60.00 for International Incoming wires received as disclosed in these instructions. The fee is dependent on whether the Originating Institution uses a US Correspondent bank. A domestic incoming wire charge is \$20.00 and will be assessed to the account the wire is being posted to. We do not accept wire transfers through any other instruction. If a wire transfer is received through the Federal Reserve, fees will be charged based upon our charge from the Federal Reserve.**

***We do not accept incoming wires in foreign dollars.**
