* Customers may be charged up to \$35.00 for International Incoming wires received as disclosed in these instructions. The fee is dependent on whether the Originating Institution uses a US Correspondent bank. A domestic wire is charged at a \$15.00 fee. We do not accept wire transfers through any other instruction. If a wire transfer is received through the Federal Reserve, fees will be charged based upon our charge from the Federal Reserve.

* If you need to receive a wire in foreign dollars please contact Badger Bank for Availability.
